Wanna tell you a story  
  bout a tippie I know  
When it comes to drinkin  <sup>TM</sup>  
She steals the show  
She ain  <sup>TM</sup> t exactly Pernod  
Ain  <sup>TM</sup> t exactly Schnapps  
Fourteen percent, seventy-five C-L  
You could say she  <sup>TM</sup> s got it all.

Never had a bevvy  
Never had a bottle like you  
Doing all the things  
Doing all the things you do  
Ain  <sup>TM</sup> t no fortified sherry  
Ain  <sup>TM</sup> t no skin and must  
But you give it all you got  
Full-bodied, yet finely toned

Chorus:  
You  <sup>TM</sup> re a whole lotta bouquet  
A whole lotta flavour  
Whole lotta Ros     (x 3)  
A whole lotta aftertaste

Honey notes can do it  
Do it to me all day long  
Only one to pour  
Only one to pour, full on  
All through lunch-time  
Right to five o  <sup>TM</sup> clock  
To my surprise  
Ros     never stops

Chorus:  
She  <sup>TM</sup> s a whole lotta bouquet  
A whole lotta flavour  
Whole lotta Ros     (x 3)  
A whole lotta hangover
