[Verse 1]

Ohh, oh oh ohhhh
See he's my property
And any girl that touch
I might just have to bluff
Cuz I don't give a (what)
Who are you to call my cell?
Oh I'm gonna wish you well
Cuz every girl that tried has failed

[Chorus]

Where my girls at?
From the front to back
Well is you feelin' that?
Put one hand up
Can you repeat that?
Tryin to take my man see I don't need that
So don't play yourself

[Verse 2]

Hey, hey, hey, hey
Don't you violate me
Cuz I'ma make you hate me
If you decide to mess with mine
Chop you down to size
Make you realize
That you done messed up this time

[Chorus 1x]

[Bridge]

You must learn the rules.
Don't come close to
Anything that belongs to me.
He is mine.
My property.
So you must leave.
Yeah (Where my girls?)

Repeat chorus until end
