Oh
Oh
You & me (702)
Why'd you leave
I gave you everything
?So why won't you tell me
Why you mean so much to me?
You know I can't believe
That you would have me open like you do
Now whata girl gotta do
To make you see
That we should be together - you & me
I want your love
I get excited
I can't fight it
Baby, you just don't know

You don't know
What you do
Got me lovin' you
So please don't go
'cause you don't know what you do
Got me all over you
& I don't know what to do about us

You don't know
What you do
Got me lovin' you
So please don't go
'cause you don't know what you do
Got me all over you
& I don't know what to do about us

Can't you see
That you're hurtin' me
Fill me Up
Let me down, down (down)
Oh, ain't never felt this way before (no, no)
Don't walk out the door (uh uh)
I can't take it no more
Baby, whata girl gotta do

To make you see
That we should be together - you & me
I want your love
I get excited
I can't fight it
Baby, you just don't know

You don't know
What you do
Got me lovin' you
So please don't go
'cause you don't know what you do
Got me all over you
& I don't know what to do about us

You don't know
What you do
Got me lovin' you
So please don't go
'cause you don't know what you do
Got me all over you
& I don't know what to do about us

Baby
Don't you see
Your killin' me
You just don't know
I like your flow
Come dig me though
Can't take no more

Uh huh (oh)
Uh huh
Uh huh (702)
Uh huh
Just don't know (yea)
You just don't know

What you do
Got me lovin' you
So please don't go
'cause you don't know what you do
Got me all over you
& I don't know what to do about us

You don't know
What you do
Got me lovin' you
So please don't go
'cause you don't know what you do
Got me all over you

& I don't know what to do about us

(Repeat till end)
