Chorus

He's so much more than a lover,
He's my best friend.
She's so much more than a lover,
She's my best friend.

Verse 1.

I'm talking about my husband,
I'm talking about my wife,
I'm talking about that guy I love
Who shares every part of my life.

Chorus

Verse 2.

When ever there is trouble
She's right there by my side.
And between us there's no secrets baby,
'Cause we've got nothing to hide

Chorus

ah nun nun ne, aaaah baby.

My friends say I'm a lucky man
To have a good woman like you.
And my friends say you are one of a kind ,
and boy I'm glad you are all mine

Verse 3

She's the mother of my baby,
He's given me a happy life,
And the future looks so pretty, yeah.
Everything is gonna be alright.

Chorus

I love you...I love you more!
No no no baby, I love you more!
No honey, I love you the most!

Ooh, he's the father of my baby,
She's given me a happy life.

And the future looks so pretty,
Every thing is gonna be alright.

Chorus
