Verse 1: Girl you are to me, all that a woman should be
and I dedicate my life to you always.

A love like yours is rare, it must have been sent from up
above.

And I know you'll stay this way, for always.

Chorus:

And we both know, that our love will grow and forever it
will be, you and me. (yeah)

Ooh you're like the sun, chasing all of the rain away.

When you come around you bring brighter days.

You're the perfect one, for me and you forever will be.

And I will love you so, for always.

Verse2:

Come with me my sweet, let's go make a family.

They will bring us joy, for always.

Ooh boy I love you so, I can't find enough ways

To let you know, but you can be sure I'm yours for
always.

Chorus: Repeat

(Ooh...ooh...I will love you so for always.)
