HER)

Here we are, just the two of us together

Takin' this crazy chance to be all alone

We both know that we should not be together

'Cause if we're found out, it could mess up

Both our happy homes

(HIM)

I hate to think about us all meetin' up together

'Cause as soon as I look at you it will show on my face,
yeah

Then they'll know that we've been loving each other

We can't let 'em know, no, no, no

We can't leave a trace

(BOTH)

Secret lovers, yeah, that's what we are

We shouldn't be together

But we can't let go, no, no

'Cause we love each other so

Oohâ€¦oohâ€¦

(HER)

Sittin' at home, I do nothin' all day

But I think about you and hope that you're okay

Hopin' you'll call before anyone gets home

I wait anxiously alone by the phone

(HIM)

How could something so wrong be so right

I wish we didn't have to keep our love out of sight, yeah

Livin' two lives just ain't easy at all

But we gotta hang on in there or fall

CHORUS:

(BOTH)

Secret lovers, yeah, that's what we are

Tryin' so hard to hide the way we feel

'Cause we both belong to someone else

But we can't let go

'Cause what we feel is, oh, so real

So real, so real

(BOTH)

You and me, are we fair

Is this cruel or do we care

Can they tell what's in our minds

Maybe they've had secret loves all of the time

(HIM)

In the middle of makin' love we notice the time

We both get nervous 'cause it's way after nine

(HER)

Even though we hate it, we know it's time that we go

We gotta be careful so that no one will know

CHORUS

So real, so real
