[spoken]:

Where did he touch you, and how did it feel, and why
did you let it begin?

What did he whisper and when did you cry, and where
do you think it'll end?

How long did you do it and why did you stop, did you
get to try anything new?

How good was he honestly, where did you go, and who
made the very first move?

You don't have to sneak in the door, just come on into
the room

I've been lying in our bed in the dark all alone
And I've been waiting, I've been waiting for you

There's been no reason to move, it's been as still as a
tomb

I needed you oh so badly tonight, but I guess you had
better things to do

I should have known that it was coming to this, but I
must have been blind

I bet you still got a trace of his love in your eyes
And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock, now it's a
quarter to 3

And whatever you got and whoever it was, I guess you
couldn't get it from me

Whatever you got and whoever it was, I guess you
couldn't get it from me

Chorus 1:

I know that you love me, there's no need to talk
I see the look in your eyes and I got the proof
And there are no lies on your body, so take off your
dress

I just want to get at the truth
(repeats 2x)

Chorus 2:

There are so many things that I just got to know
You tell me who, you tell me where, you tell me when
But don't tell me now, I don't need any answers tonight

I just need some love so turn out the lights
And I'll be left in the dark again
(repeats 4x)

Left in the dark again

(Solo)

I should have known that it was coming to this, but I
must have been blind
I bet you still got a trace of his love in your eyes
And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock, now it's a
quarter to 3
And whatever you got and whoever it was, I guess you
couldn't get it from me
I guess you couldn't get it from me
But down in my soul, down in my soul, I know

(chorus 1)

(chorus 2)

I just need some love so turn out the lights
And I'll be left in the dark again
(repeats 6x)

Left in the dark again
