I'm sitting alone
Pretending to read
Don't come near me
I am bleeding
I live by myself
I eat on my own
I don't take chances
Just leave me alone
Leave me alone

I know it's absurd
I know it's not right
But I'm still hurting
Since the last fight
Got lost in the rain
Got left in the dark
He took my life
He took my heart

Ohhhh ohhh

Damaged and bruised like a toy that's been used

I'm nothing to him
I'm nothing to you
Broken and torn
This is your warning
I'm desperate for you
But I'm damaged
I'm damaged and bruised

I push you away
Because I am scared
I am empty
I am lonely
There is no time

There's no room for lies
It's hard to trust when people lie

Ohhhh ohhh

CHORUS

If I gave you one chance
Would you take my hand?
If I gave you my heart
Would you love me 'til the end?

Damaged and bruised like a toy that's been used
I'm nothing to him
Make me something to you
Broken and torn
This is your warning
I'm desperate for you
I'm desperate
I'm damaged and bruised
