"Blood Is Pumping"

Let's talk about the question of what you should or
shouldn't think
I don't think you know it. Cause you're drinking at their
place
Make up your mind, don't sit here wasting my time.
You just said you're a nazi,
so why are you in my face

I feel my blood is pumping
My heart nearly stops, forgets to beat
I know that he is watching
Though I try to ignore we always seem to meet

All of a sudden there's a guy in front of me

He said I heard you hate us, oh but I wanna be your
friend
Is this a fucking joke, I will never understand
Why these guys, these guys care about me,

I feel my blood is pumping, my heart nearly stops,
forgets to beat,

I feel my blood is pumpin'

I feel my blood is pumpin'

I feel my blood is pumping, my heart nearly stops,
forgets to beat,
