Don't laugh at me

Don't laugh at me

'cause I'm so beautiful

don't laugh at me

'cause I'm so masculine

* don't laugh at me

'cause everyone loves me

everyone looks at me

with bright shining eyes

Don't laugh at me

then I feel so insecure

don't laugh at me

'cause it makes me feel like a fool

* don't laugh at me

'cause I vanish into a nobody

you don't really know

how great I can be

Don't laugh at me

'cause I'm so incredible sexy

don't laugh at me

'cause I'm the one to love

* don't laugh at me

'cause all you need is me

I love me

that's the way I am
