together with you

*

* I'm feeling so good

safe relaxed

when I'm together with you

* I'm feeling so glad

strong wise

when I'm together with you

* I~cause I don't have to fight

for being myself

when I'm together with you

-* the whole world is in me

the whole life is in me

problems pass by as a pleasant procession of

insignificant problems

from a vanished time

-* I'm curious inquiring trying

seeking sensing dancing

when I am

together with you

* I'm feeling so crazy

wild free

when I'm together with you

* I'm feeling so playful

sexual erotic

when I'm together with you

* I~cause I don't have to fight

for being myself

when I'm together with you#

-* my longings barriers prisons shatter

in millions billions trillions bright

atoms protons hormones pieces of colouring

new fresh forces of love

when I'm together with you

I'm feeling so beloved

deep " deep deep deep " into my soul

when I'm together with you

* I~cause I don't have to fight

for being myself

when I'm together with you
