(Intro + 1 beat)
If you've got a problem, I don't care what it is...
If you need a hand, I can assure you this
I can help ! I've got two strong arms,
I can help !
It would sure do me good to do you good, Let me help !
It's a fact that people get lonely, Ain't nothing new
But a woman like you baby, Should never have the
blues
Let me help ! I've got two for me, Let me help !
It would sure do me good to do you good, Let me help !
*
When I go to sleep at night you're always
A part of my dream
Holding me tight and telling me
Every thing I wanna hear
Don't forget me baby, All you gotta do is call
You know how I feel about you
If I can do anything at all
Let me help ! If your child needs a daddy, I can help !
It would sure do me good to do you good, Let me help !
