"Love You"

Visit "[Love You](#)" on MotoLyrics.com

What would you say if someone
Say to you that I need you
Would you play stubborn
Prefer to be on your own (ey)
Seems like it's hard for someone
To say that I love you
I know I've gotta put up a fight (put up a fight)

I wanna tell you I love you
And you know that I care
If I neva love you,
I wouldn't be standing right here
I wanna tell you I love you
And you know that I care
If I neva love you (love you, love you),
I wouldn't be round here

We could put aside our differences
We could go out for the weekend
Or you could meet me somewhere
All depends
To release the pain and the stress from yuh brain

I wanna tell you I love you
And you know that I care
If I neva love you,
I wouldn't be standing right here
I wanna tell you I love you
And you know that I care
If I neva love you (love you, love you),
I wouldn't be round here

I'm gonna be real
Fu real
Nuh sign no smuggy deal
Give thanks to the helping and from Camille (yeah
yeah)
Jah gwen bless har
Someone soon (ey yea)
Don't abuse yuhself
Like no deal

Sing dis to yuh children

Tell you I love you
And you know that I care
If I neva love you,
I wouldn't be standing right here
Lady, I wanna tell you I love you
And you know that I care
If I neva love you (love you, love you)

What would you say if someone
Say to you that I need you
Would you play stubborn
Prefer to be on your own (ey yeah)
Seems like it's hard for someone
To say that I love you
I know I've gotta put up a fight (put up a fight)
So right

I wanna tell you I love you
And you know that I care
If I neva love you,
I wouldn't be standing right here
Lady, I wanna tell you I love you
And you know that I care
If I neva love you (love you, love you),
I wouldn't be round here

I wanna tell you I love you
And you know that I care
If I neva love you,
I wouldn't be standing right here
Lady, I wanna tell you I love you
And you know that I care
If I neva love you (love you, love you),
I wouldn't be round here (yeah yeah)

We could put aside our differences
We could go out for the weekend
