I ain't gonna stop just because I get old
Oh I've never been good and do it what I'm told
..63 before I get cold
I ain't gonna stop just because I get tired
Oh I remember the day when I was always wild
Well I might change but I can never retire

I ain't gonna stop on the count of my brands
when..may come to an end
I'll be out in the street stay away..
I ain't gonna stop just to worse of my time
I can't settle down I would go out of my mind
So I ain't gonna stop
I ain't gonna stop
No I ain't gonna stop
I ain't gonna stop
No I ain't gonna stop, no no no
No I ain't gonna stop
No, I ain't gonna stop
No, I ain't gonna stop
No I ain't gonna stop
I'm never gonna stop
I said no no no
