Breakout -

When explanations make no sense
when every answer's wrong

you're fighting with lost confidence all expectations
gone.

The time has come to make or break

move on

don't hesitate - breakout !

Don't stop to ask

now you've found a break to make it last

you've got to find a way

say what you want to say - breakout !

When situations never change

tomorrow looks unsure.

Don't leave your destiny to chance

what are you waiting for ?

The time has come to make or break - breakout !

Don't stop to ask

now you've found a break to make it last

...

Don't stop to ask

now you've found a break to make it last

...

Some people stop at nothing

if you're searching for something

lay down the law

shout out for more

breakout and shout

day in and day out - breakout

breakout !

Don't stop to ask

now you've found a break to make it last

...

Don't stop to ask

now you've found a break to make it last

...

Don't stop to ask

now you've found a break to make it last
