Words

once said with tenderness
have become meaningless

broken promises take their toll
now you're playing the fool.
Torn between torment and bliss
beckoned by temptation's kiss

leave your ambitions standing still

all your dreams left unfulfilled.
Make up your mind while there's still time to turn
around !

Fooled by a smile

you'll regret
won't forget what you've left behind.
Fooled by a smile

you'll regret
won't forget what you've left behind !

Lies that leave you cold inside with a pain too hard to
hide

broken promises take their toll
now you're playing the fool.
Hide your face to save your shame
no one but yourself to blame

leave your ambitions standing still

all your dreams left unfulfilled.
Make up your mind while there's still time to turn
around !

Fooled by a smile

...

Fooled by a smile

ooh !
Fooled by a smile
