[Coko] (Verse 1) Lately, there's seem to be Some
insecurities About the way I feel Where I wanna be But
you know, it's with you (You...) No one can do The
things you do To me Never to be mistaking Long as
there's love making There's gonna be some rain Gonna
be some pain Hook: Coko But as long as I know Boy,
time will show Our love will grow And I know Chorus:
SWV Love will be Right here Be right here Right here Be
right here No fear Have no fear No tears Love is here
(Verse 2) True love, some don't believe in That's what
just I'm givin' I'm gonna keep it strong I will hold along
To you (You...) No one can do Me like you do It's true
Sure as the sun is shining Our love will keep on
climbing There's gonna be some rain Gonna be some
pain Repeat Hook Repeat Chorus [Rap Verse: Pharrell]
Come Come slip and slide (Slide) Into the flipside
(Side) Of the hipside (Side) Now let it drip inside (Side)
Your mind (Mind) You're not Alone, you're with me And
the S (S) The double (Double) The U (U) The V (V) I'll be
your bread (Bread) And I'll be your butter (Butter) You
never have to shed (Shed) One slight tear (Tear) So
honey, hold ya head, from the dumps and the gutters
And remember to be there (There) I'll be right here
(Here) Repeat Chorus Til Fade
