Lookin' at my Rollie, it's about that time

For SWV to drop a jam on mine

Playa's talk the talk but they can't walk it

We make the whole country bounce when we New York
it

Don't speak about it, be about it

Seein' Puff on your tube, feelin' weak about it

I got the skill of an actor, wind chill factor

Minus five five, coolest man alive

Baby, who dat is? Oh, that's just Puff Daddy

Keep you on my mind, like I keep me on my shine

And I feel fine

Sex real time

While I'm in your deck on rewind

Oh I make it hot, till you're jellin' what PD got

Since PD rock, see me not

So many bricks I build a tenament

We'll do the freaky thing baby girl

If you're into it

[SWV]

I'm looking for a lover that
Can make a sacrifice
A lover that will understand
Will always be by my side
I pray the Lord so I can find
My Mr. Right
So who can it be the one for me
I need
1 - Someone that I can believe
Someone to satisfy me
I need love
Someone who's faithful and true
Oh baby, can it be you
I need love
Oh, can it be that you're the one
And I've been too blind to see
You're everything I'll ever need
Someone will love me for me
I wanna know, I wanna see
My destiny
If your love is true I'll love you too
Cuz I need
Repeat 1
Repeat 1
2 - You could be the one
Love of a lifetime

Oh baby can it be the one for me

I need to know

Want you to be mine

Baby, why can't you be my everything

[Puff]

Check this out

You all know the Steve's, SWV's

Gone for a minute

Chillin' cross seas

Back on the scene

Pocket full of cream, now

Gone so long thought they was locked in the Penile

Meanwhile

They be bumpin' in the clubs

Can we get freaky tonight, sho' 'nuff

Puff and J-Dub

Platinum stats, plush oriental rugs, and platinum
plaques

Come on

Repeat 2

Repeat 1
