like sun shining on mah rist, ain't it man
I'm like a pimp with a twist, hypnotic with the crys

Syleena:

Boy, you've got that crazy magice formula
and I can't shake it babe, just want to drink it babe
and I stay hungry for your love, you keep me wanting
babe
want to eat it up, tell me what, what is this?
that's so addictive (so addictive that I) loose control
it feels so good I had to ask the question
What is this(what is this that got) that's got me feeling
got me feeling , can't seem to let go

{Chorus}

Oh baby your love feels so Hypnotic
Hypnotic, Hypnotic, Hypnotic, Hypnotic
So Hypnotic, your love feels so hypnotic
Hypnotic, Hypnotic, Hypnotic, Hypnotic

So Hypnotic, your love feels so hypnotic

Syleena:

Can't seem to run, can't seem to hide
cause your love keeps finding me
It's that chemistry.... between us
Oh boy your all ??????????
and I'm loving every moment so why you
had to go on and blow my mind

{bridge}

What is this, what is this, that's so addictive
It feels so good that I had to ask myself
What is this, what is this that's got me feinding
I can't seem to let go cause oh boy your love

Hypnotic, Hypnotic, Hypnotic, Hypnotic
So Hypnotic, your love feels so hypnotic
Hypnotic, Hypnotic, Hypnotic, Hypnotic
So Hypnotic, your love feels so hypnotic

Syleena:

Your my medicine, you take my pain away
and bring me healing boy
(and you bring me so much joy)
whenever you come near me I just cannot help myself
because your love is so hypnotic, hypnotic, hypnotic
Hypnotic, Hypnotic

Hypnotic, Hypnotic, Hypnotic, Hypnotic
So Hypnotic, your love is so hypnotic
(repeat till end)
