I am the wilderness locked in a cage,
I am a growing force you kept in place,
I am a tree reaching for the sun,

Please don't hold me down
Please don't hold me down

I am a rolling wave without the motion,
A glass of water longing for the ocean,
I am an asfelf flower breaking free,
but you keep stopping me
Release me
Release me

I am the rain thats coming down on you,
That you shielded yourself from with a roof,

I am the fire burning desperately
but you're controlling me
Release me
Release me
