You openly admit  
The things you'd like more of from me  
Somehow I find it attractive  
That you wont censor anything

With you there is no filter  
To sugarcoat what is said  
Even though I like your honesty  
It wont lead me to your bed

So instead  
Go ahead and say it  
Even though you know  
It makes me uncomfortable  
Go ahead and say it  
If you must make me blush

You are so transparent  
The farthest thing from perfect  
Once again I am left out of breath  
On the edge of losing it

So instead  
Go ahead and say it  
Even though you know  
It makes me uncomfortable  
Go ahead and say it  
If you must make me blush

Please take me under with you  
But I will only let you go so far  
It can be our secret  
You know what our boundaries are

Go ahead and say it  
Even though you know  
It makes me uncomfortable  
Go ahead and say anything  
If you must  
Please make me blush
