Cornered in,
Trapped inside,
Won't survive,
I'm too alive.

Empty shells line the floor,
I'm a mess,
But I want more,

In your sight,
aimed at me,
I'm a target for you,
And I wanna be.

I love this pain.

There's a bullet in my heart and it's you,
You shot me down, I'm wounded,
And I can't get over you.
You took me out without a sound
Now look what you've done,
There's a bullet in my heart.

All you are,
All you say,
All you do,
It buries me.

Underground,
Crawling out,
Need your air,
Inside of me.

And the end,
Now the start,
With the shot,

To the heart,
You're part of me.

I love this pain.

There's a bullet in my heart and it's you,
You shot me down, I'm wounded,
And I can't get over you.
You took me out without a sound
Now look what you've done,
There's a bullet in my heart.
(And it's you)

And I never saw you coming,
But I'm tired of all the running,
And I can't stop the bleeding,
But I love what I am feeling.

There's a bullet in my heart and it's you,
You shot me down, I'm wounded,
And I can't get over you.
You took me out without a sound,
Now look what you've done,
There's a bullet in my heart.
(And it's you)
(And it's you)

There's a bullet in my heart,
Now look what you've done,
(And it's you)
There's a bullet in my heart.
(And it's you)
(And it's you)
