"Collapsed"

You were the one
That I couldn't find
Hidden away
In the depts of my mind

Why did I let you go
You're too good to be true
I messed it up
And now I don't know what to do
We ran in circles
And wasted time
From right to wrong
From right to wrong

[Chorus]
If I knew that you were mine
I wouldn't have wasted time
I wish I could erase the past
Now it's all collapsed in my lap

I overthought
So locked up my heart, yeah
There you stood
Your blue eyes in beneath your hood

Why did I let you go
You're too good to be true
I messed it up
And now I don't know what to do
We ran in circles
And wasted time
From right to wrong
From right to wrong

[Chorus]
If I knew that you were mine
I wouldn't have wasted time
I wish I could erase the past
Now it's all collapsed in my lap

My mind is blank
Just like a clean slate

Will I meet another guy
With the same blue eyes
And the same name
With the Converse shoes I gave
Will he have the same laugh
Wear my homemade hat
Bet I'll make another mistake
And think he's just another fake

Wish I could erase the past now
Wish I could bring you back

[Chorus]
If I knew that you were mine
I wouldn't have wasted time
I wish I could erase the past
Now it's all collapsed in my life
If I knew that you were mine
I wouldn't have wasted time
I wish I could erase the past
Now it's all collapsed in my lap
