The story told
Of a heart that once was
It was beating
Inside of me
Until you came along
Turned my life into a sad song
And it's all because of you

[Chorus:]
This is my heart
Heartbroken
Heart shattered
This is what we call
Lonesomeness
This is what we call
Sadness
And this is my heart

Why did you
Come along and make it shatter
Why did you
Have to do it
Why couldn't you
Just let me be
Living life happily
And peacefully

[Chorus]

Oh
Yeah yeah yeah
Hey
La La
Ooh
My heart

[Chorus]

So please just go
You already
Broke my heart
