I get in the car
Another tragic disaster
But I'm safe where I am
Yet another is captured

The traffic is stopped
People just stare
Another alert
Does the kid have a prayer?
Life is not fair

It's hard to looked outside my door
(Look outside my door)
With all the news reports and more
Yeah I'll do my part and stay on alert
(Stay on alert)
For all the kids out there who are gettin' hurt
It could have happened to me
(Happened to me)
Can you make me believe
This could have a happy end?
'Cause I am one of them

I try to grow up
But I am chased by my fears
It could happen to me
And I worry in tears

Reports of the girl
Making me scared
Led off to die
And why was I spared?
Life is not fair

It's hard to looked outside my door
(Look outside my door)
With all the news reports and more
Yeah I'll do my part and stay on alert
(Stay on alert)
For all the kids out there who are gettin' hurt
It could have happened to me
(Happened to me)

Can you make me believe
This could have a happy end?
'Cause I am one of them

I am one of them
Am one of them
I am one of them
Am one of them
I am one of them
Am one of them
I wish I could bring
Back all of them
