We don't have to try
To think the same thoughts
We just have a way
Of knowing everything's gonna be ok

We'll laugh 'til we cry
Read each others minds
Live with a smile
Make it all worthwhile
Make it all worthwhile

Life has moments hard to describe
Feeling great and feeling alive
Never coming down from this
Mountain we're on
Always knowing we're gonna be fine
Feeling great and feeling alive
Never coming down from this
Mountain were on
The view is so clear
And it's crazy up here
Life is amazing with you on the ride

We don't wanna sleep
Just wanna stay up
There's so much to say
And not enough hours in the day

We'll laugh 'til we cry
Read each others minds
Live with a smile
Make it all worthwhile
Make it all worthwhile

Life has moments hard to describe
Feeling great and feeling alive
Never coming down from this
Mountain we're on
Always knowing we're gonna be fine
Feeling great and feeling alive
Never coming down from this
Mountain were on

The view is so clear
And it's crazy up here
Life is amazing with you on the ride

We try to be lazy
The journey is perfect
The place is so crazy
The race is so worth it
I will be with you
We'll do this together
Always together

Life has moments hard to describe
Feeling great and feeling alive
Never coming down from this
Mountain we're on
(Mountain we're on)

Always knowing we're gonna be fine
Feeling great and feeling alive
Never coming down from this
Never comin' down
Never comin' down
Never comin' down (from this)

Always knowing were gonna be fine
Feeling great and thinking alike
Never coming down from this
Mountain were on
(Never coming down from this)

The views so clear and it's crazy up here
Life is amazing with you on the ride
The place so is crazy
The race is so worth it
Life is amazing with you on the ride
