[Verse 1: T.I.]

Ey, when I think about all my time and all my struggle  
Through all my grindin' and all my troubles  
When I came out from nothin', all I had was a hustle  
With a blindfold tryin' to find pieces to the puzzle, no muzzle  
I tell it like it is, that's that, right or wrong, I'm a call it  
how I see it  
Don't forget that impossible is nothin', you're a fine mis  
irrelevant[? ]  
Just don't let your emotions over power your intelligent  
Refuse to give up, your mistakes will define you  
Down dictate where you headin', then remind you  
That time keeps tickin', let your mind keep clickin'  
Never stop thinkin', be aware of your decision  
Everywhere the collisions  
And the potholes hiddin' in the road that you travel on  
your lifelong mission  
Just listen everyday like a snap shot is taken, if you live  
you could learn to just be patient

[Chorus: John Legend]

'Cause life is like a slide show  
And all the places I go  
And all the things that I know  
Through all the highs and lows  
'Cause life is like a slide show  
And all the things that I've seen  
And all the things that I dream  
You can't take away from me  
'Cause life is like a slide show

[Verse 2: T.I.]

Who could rap with a dream, look where I took that  
Beginning on bankhead, then I spread out  
Vision in my head, all I had to do is to get it out  
When I walked out of my house, and look at my street  
All I see is the opportunity that lead me to truancy  
I ain't really have a roll model to enforce me  
Uncle (someone?) they said next it's gunna be you in it  
As a juvenile count cases so florally look at my life and

learn from it, don't do it  
If I only knew back then what I know now, how much  
better life it would have been if I slowed down  
Maybe I have been Kanye, instead of seeing gunplay  
But god got a plan, I'll understand one day,  
One day of life like a snap shot is taken,  
If you live you could learn to just be patient

[Chorus: John Legend]

'Cause life is like a slide show  
And all the places I go  
And all the things that I know  
Through all the highs and lows  
'Cause life is like a slide show  
And all the things that I've seen  
And all the things that I dream  
You can't take away from me  
'Cause life is like a slide show

[Bridge: John Legend]

Looking back on my life time  
See the slides go by, trying to wonder why  
Looking back at where I've been  
I remember when, you remember

[Chorus: John Legend]

'Cause life is like a slide show  
And all the places I go  
And all the things that I know  
Through all the highs and lows  
'Cause life is like a slide show  
And all the things that I've seen  
And all the things that I dream  
You can't take away from me  
'Cause life is like a slide show [x3]  
'Cause I see, cause I dream, life is like a slide show
