[Intro - T.I. - talking] (Keri Hilson) Hey, shorty I know you be hearin this and that from here and there but Please trust and believe that I'm I see you gonna ride for me, so I'm a die for you Is you with me? (I got your back boy) Well let's get it [Chorus - Keri Hilson] (T.I.) When you're high (for when it's all good), when you're low (to when it's all bad) Well I promise I will never let you go (now what you call that?) Said I got, I got, I got, I got your back boy (you got my back, right?) I got, I got, I got, I got your back boy (I know you got my back, right?) Keep my swagger, keep it lookin good for ya (yeah) Keep it lookin hood for ya (yeah) Shorty if you don't know (yeah, yeah, yeah, say) I got, I got, I got, I got your back boy (you got my back, right?) I got, I got, I got, I got your back boy (whole world go against you, you got my back, right?) [Verse 1 - T.I.] Hey it's whatever shorty, you ain't gotta ask Yes, Valentino blouses, summer houses, cash, check You can get it, you deserve it, flawless diamonds, Louis purses My mission's to purchase Earth for her, present the gift without the curse Her pleasure is my purpose, pleasure to be at your service We front row at fashion shows, as well as Sunday morning service For better days or for worse, if I'm paid or I'm hurtin in my pocket, she still got a nigga back, know that's for sure No matter what may occur in life, everyday with her is like, a plus I'm a love her 'til she be like "that's enough" Pop a bottle, get a couple wine glasses, fill 'em up and lift 'em up Let us toast to the future, here's to us No, here's to her [Break - Keri Hilson] They wonder how we do what we do Panamera Porsches, me and you Stuck to your side li-li-like glue Be by your side whatever you go to do [Chorus] [Verse 2 - T.I.] (Keri Hilson) Hey, this is for the women who, man caught a sentence Who gon' be there for a minute but they didn't keep they distance They stayed home, waitin on the phone and on visit day Show up lookin good, smellin better, playin kissy face (yeah, yeah) Just wanna let you that we appreciate it (and I appreciate you, baby) Everything you do for us on a day to day [day to day] And I know we don't show you all the time but we lucky that you ours No bouquet

of flowers Could ever show how much we know we
need you we do, all that's in our power just to please
you See boo, fuck them girls, I would leave the World
'fore I leave you May God say "even Eve and Adam
ain't got shit on these two" [Break] [Chorus] [Verse 3 -
T.I.] Sure enough, even though them chicks be hatin on
us Still I'm gonna keep her by my side, through
whatever situation we gon' ride Make all my fantasies
come alive, that's no lie now I'll be, alright just as long
as you beside me Ten million dollar mansions won't
suffice If you ain't gon' be in there with me at night The
pieces to the puzzles in my life Through all of my good
days and all of my bad You stood by your man and you
know you got my back Worth every car, every bag, with
me they wanna be that I know what I got at home, I ain't
gon' never leave that Them bitches best believe that
[Chorus]
