What?
You say what?
The president did what?
Ah that's all good baby
He got rid of the Player Haters too?
Ah we need to declare this a national holiday
We gonna call this Players Holiday
Ant B-Z what up man?

(Ant Banks)

Rise and shine make you wanna say
Dear god let me thank you for another day
Liven life on the edge and I'm tryin to break it
To all the duckin the fears but it's a struggle to make it
So this is your day homie now it's time to shine
And for players only checkin we can wine and dine
stress free
>From the drama, betta go get yo ticket
And come cause players can't lie to kick it

(Mac Mall)

It feels good not to cry nomore
Don't get it twisted cause I still her soul
Maintain is tryin to reach my goal
Liven life truly successful
So my little soldiers never have to sell no dope
All the cutties from the biz comin home again
And we ain't tryin to kill eachother cause brother we all
in
Beautiful black women give'em much respect
And ain't no funk between the east and the west
It's just a Player Holiday

Chorus

Today's the day Players play
So you better be on your way

On your way, your way
Now it's time to celebrate
Hurry up and don't be late
Cause you know it's gonna be a lovely day
Lovely day (x16)
