Back in the day, Yo, when everything was so ???  
these ladies looked at me like i was creepy, didn't  
wanna meet me.  
It was Z. Cavaricci, I.O.U and Giorgio, ?Bertine?.  
Nowadays it seems that ?type of? girls they act so  
freaky.  
They will step out of their mother's Mercedes ready to  
swallow your babies.

It wasn't like that in the early nineties and eighties.  
I might been lazy, but I was trying like crazy  
to get the women into bed,  
but now I'm scratchin' my head because...

(then then) These girls rock cardigans to class...  
(now) They walk around with "Juicy" on their ass.

(then then) You buy a condom to avoid a baby...  
(now) You buy one to avoid AIDS and rabies.

(then then) Chicks kissing chicks was tight...  
(now) they all do it for attention, right?

(then then) It wasn't tough to find a real girl.  
(now) They all think they live on 'The Real World.'

(then then) The virgin was the girl saying "No,"  
(now) A virgin sucks dick like a pro.

(then then) The only thing fake was their tan...  
(now) It's their lips, tits even their man.

why, oh, why did you have me back then, Ma?  
These girls gone wild ???  
Not trying to say ?I'm a old man in suspenders?  
But if girls were like that back then, I don't remember.

Doin' it their way, white turtlenecks and hairspray.  
Back when "'Do Me', Baby" was gettin' mad airplay,  
but nobody was doin' shit.

A hand job was the equivalent of doin' the two most beautiful chicks.  
Today a three-way is almost as common as a hip-hop DJ.

BJ's are out given they give 'em as if it's for a living.  
back then i did some  
I got some women. now they're over all the linen. but that was just the beginin' cause...

(then then) you used to get the girls home phone  
(now) you get the cell maybe e-mail, ?Homes.?

(then then) You was lucky if you saw some cleavage.  
(now) Kelly Ripa shows it to you on Regis.

(then then) Tattoos were big with call girls...  
(now) tattoos are found on all girls

(then then) you get slapped tryin' to hit the skins  
(now) They sing along to the Ying Yang Twins

(then then) They pierced their ears, nice and simple...  
(now) it's their tongues, bellybuttons and nipples

(then then) Most girls were camera shy...  
(now) they'll send you pics to your cell phone, guys

Why oh why did you have me back then, Ma?  
These girls gone wild ???  
Not trying to say ?i'm a old man in suspenders?  
But if girls were like that back then, I don't remember.
