I dont see the smile you used to give to me  
I dont see the same in your eyes  
I dont know what is happening to us  
I'm losing you forever so fast

It's time to let the pieces of a broken heart  
There's no mending, there's no brand new start  
Oh maybe why we have to face the truth  
I'm losing you and theres nothing I can do

CHORUS:

(maybe) its time to let go, a time to move on  
(maybe) its time to forget what we have shared  
Isn't easy for you  
(I cant find my life) in getting over all the days  
we used to say "I love You"

Tomorrow is the lonely day that I must face  
To start and get back on my feet would be a waste  
Oh how can I true live without your love  
My life without you is not a life at all

[Repeat CHORUS]

Bridge:

There'll be many questions (many Questions)  
lifted in my mind  
I cant find the answers by oh by  
but I know it is true, it is time to let go

[Repeat Chorus]
