

Temptation Within

"Enter"

The gates of time have opened,
Now, it's chains are broken.
An ancient force unleashed again
As I enter the portal,
I feel the enchantment
It takes me away, away from here
Come near me,
enter my private chambers.
I want to feel the warmth on my face
light-in darkness,
lift me up from here.
Give me your wings,
to flee from my ivory tower.
As I enter the protal
I feel the enchantment.
The stars above are lying at my feet.
Come near me,
enter my private chambers.
I want to feel the warmth on my face
light-in darkness,
lift me up from here.

Give me your wings,

to flee from my ivory tower
