

Temptation Within

"Mother Earth"

Mother Earth

Birds and butterflies

Rivers and mountains she creates

But you'll never know

The next move she'll make

You can try

But it is useless to ask why

Cannot control her

She goes her own way

She rules until the end of time

She gives and she takes

She rules until the end of time

She goes her own way

With every breath

And all the choices that we make

We are only passing through on her way

I find my strength

Believing that your soul lives on

Until the end of time

I'll carry it with me

Once you will know my dear

You don't have to fear

A new beginning always starts at the end

Until the end of time

She goes her own way
