Well you asked me if I'll forget my baby
I guess I will, someday, I don't like it
But I guess things happen that way
You ask me if I'll get along
I guess I will, some way, I don't like it
But I guess things happen that way.

God gave me that girl to lean on
Then He put me on my own
Heaven help me be a man
Have the strength to stand alone
I don't like it
But I guess things happen that way,
You asked me if I'll find another
I don't know, I can't say
I don't like it
But I guess things happen that way.
