We're not indestructible, baby better get that straight

i think it's unbelievable how you give into the hands of
fate

some things are worth fighting for some feelings never
die

I'm not askin' for another chance i just wanna know why

there's no easy way out there's no shortcut

there's no easy way out givin' in can't be wrong

I don't wanna pasify you i don't wanna drag you down

but i'm feelin like a prisoner like a stranger in a no
named town

i see all the angry faces afraid that could be you and
me

talkin about what might have been i'm thinkin about
what i used to be

there's no easy way out there's no shortcut home

ther's no easy way out givin in can't be wrong

Baby,baby we can shed this skin we can know how we
feel inside

instead of goin down and endless road not knowin if
we're dead or alive

some things are worth fightin for some feelings never
die

i'm not askin for anbother chance i just wanna know
why

theres no easy way out there's no shortcut home

there's no easy way out givin in givin in can't be wrong
no

there's no easy way out there's no shortcut home

there's no easy no easy no easy way out (repeat and
fade
