Intro:

All the time
I cry and cry
When you're not
Right by my side

Chorus:

What I want to know from me
Is how I loved you faithfully
I tied and tried to think that night
And all I got was something tight
How could we just ever be
If we weren't together so faithfully

Verse 1:

Always talking late on the phone
Until your parents say "Leave him alone
I'm always thinking about you
And always thinking 'bout the thing we do

Then finally I really see
Fate put us together so faithfully

(Laa Laa Laa Laa Laa Laa Laa Laa Laa)

Chorus: 2x

Verse 2:

Even though we barely met
We stay together until the sun sets
When you're not right by my side
All I can do is cry and cry
Now I know why you're with me
Fate put us together so faithfully

Chorus: 3x

All the time
I cry and cry
When you're not
Right by my side
