"World Is Gone"

Visit "[World Is Gone](#)" on MotoLyrics.com

I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone

It's 6pm
You out with your friends
I guess you forgot about our plans
Need to earn your trust first, I ain't even mad
I'ma show you baby
I should be your man

And I-I-I-I-I know
That you-u-u-u-u know
So we-e-e-e-e-e know
Let me tell you how the story goes

Take my hand baby
Cuz I can show you some things, show you some things
(ohhhh)
And I know this might sound crazy,
but I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone

(Voicemail)

Here we go again
Told you I ain't playin'
Might be young, but I don't give a damn
I can find your heart baby, just give me a chance

Let me show you why
I'ma be your man

And I-I-I-I-I know
That you-u-u-u-u know
So we-e-e-e-e-e know
Let me tell you how the story goes

Take my hand baby

Cuz I can show you some things, show you some things
(ohhhh)
And I know this might sound crazy,
but I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone

I never promised forever, but now that we are together
I'll love you 'til the world is gone
I never promised forever, but baby never say never
I told you 'til the world is gone

Take my hand baby
Cuz I can show you some things, show you some
things, ooh
And I know this might sound crazy,
but I'ma love you 'til the world is gone, (gone-gone)
I'ma love you 'til the world is gone (gone-gone)
I'ma love you 'til the world is gone (gone-gone, just
trust me girl)
I'ma love you 'til the world is gone (gone-gone)
(I will never let you down)
I'ma love you til the world is gone
Gone -Gone - Gone - Gone
