It amazes me (you love me) / how you love me how I  
came to be (child, king)  
a child of the King / you completed me (complete me,  
free)  
set my spirit free / don't need no prophecy to tell  
me who I be  
Wont hear no lies can't be deceived / I keep my  
eyes on higher things  
I'm not moved I wont be shaken / God's word in  
me it can not be taken  
I surrender all it is no longer I but Christ that lives in me  
I'm not my own / But his I'm not my own

They say I'm foolish (foolish) / for accepting (things  
I cannot see)  
the things I cannot see but I choose to believe / They  
say I'm crazy (crazy)  
their words are empty (empty) / they hold no meaning  
(satan, behind me)  
Satan get behind me / Wont hear no lies can't be  
deceived  
I keep my eyes on higher things / I'm not moved I  
wont be shaken  
God's word in me it can not be taken / I surrender  
all it is no longer I but Christ that lives in me / I'm  
not my own / But his I'm not my own

Unshakeable more powerful / everything I am cuz I  
know the truth  
prosperity is in me / I have what I say cuz I choose to  
obey  
victorious righteous anointed healed freed in deed  
blessed  
I am I am I am  
victorious righteous anointed healed freed in deed  
blessed  
I am I am I am
