Intro:

OH I'm his favorite

The enemy comes to try and remind me of my past all the things I did wrong and put me on blast so I see we have a battle and I pick up my word and begin to fight with my 2 edged sword the promises that God has spoken over me the words I have in my heart that I might receive so I cast down every imagination and take captive over every thought to obedience

I'm being perfected everyday Living and loving God's way Fighting to stay upright Walking by faith not sight Made a choice in hearing God sent his son to die for me Not saved because I'm good enough Cleansed by the blood and lifted up Seated with Christ at the right-hand Delivered from every enemy

Chorus:

No guilt no condemnation no shame I'm a new creation I'm his favorite Ah-ah "ah I'm his favorite I'm his favorite ah-ah-ah I am his favorite I am his favorite oh I am his favorite OH

I want to shout all about this good news no longer feel down, even if trouble surrounds There is a way to keep on fighting Reminded, I'm his favorite, Understand I'm not confused, I can stand Free, as My strength is renewed I live fully without doubt or weariness nothing broken nothing missing I'm complete in him

I expect so I reflect on what he has for me have my heart's desiya Filled with holy ghost fiya Feels so good to be loved so completely I'll never tire In him I am inspired To keep pressing cause I know the ending No matter what it looks like I'm a winner validated me I need no defending Can't quit in God he's where my life is

Chorus:

No guilt no condemnation no shame I'm a new creation
I'm his favorite Ah-ah "ah I'm his favorite I'm his
favorite ah-ah-ah I am his favorite I am his favorite oh I
am his favorite OH

Bridge:

I will not be humiliated so I abandon the shame of my
youth Delivered from the fear of disgrace I'm
redeemed No weapon- formed against me shall
prosper I am in your will for my life and I am free

Chorus:

No guilt no condemnation no shame I'm a new creation
I'm his favorite
Ah-ah "ah I'm his favorite I'm his favorite
ah-ah-ah I am his favorite I am his favorite oh I am his
favorite oh
OH
