While you are imagining
imagining for instance
The sights that you can take advantage of

Look at the beautiful cloud formations below you and
above you -
This could be heaven.
Think of the colour of the sun as it shines off the clouds
-
This could be heaven -
or dee the stars.
In these days of cool reflection you come to me and
everything seems
alright

In these days of cold affections you sit by me and
everything's fine.

This could be heaven for everyone

This world could be fed
this world could be fun

This could be heaven for everyone

This world could be free
this world could be one.

In this world of cool deception just your smile can
smoothe my ride

These troubled days of cruel rejection
You come to me
soothe my troubled mind.

Yeah
this could be heaven for everyone

This world could be fed
this world could be fun

This should be love for everyone

This world could be free
this world could be one.
We should bring love to our daughters and sons
love
love!
This could be heaven for everyone.

So take a seat and sit by my side a while

You know I like your style. - This could be heaven for
everyone -
So what can we do to clean up this mess? Just feel so
helpless.
- This could be heaven for everyone -

So lift up your voice
at least you'll have cared

At least you'll have dared.

Listen
what people do to other souls

They take their lives
destroy their goals.
Their basic pride and dignity
Is stripped and torn and shown no pity

When this should be heaven for everyone.

In these days -
This could be heaven
could be heaven for everyone

This could be heaven
could be heaven for everyone

This could be heaven
could be heaven for everyone.
And that is the end of this section.
