This is a photo-book of my life.
This is all I want to show you for now.
This is how it has to be, for me.
If it's too much for you, then get out.

My heart is bleeding,
But I'll never lay the blame on you.
I've let the ashes smolder.

You told me your fears of what's to come.
You told me everything,
Wanting anything.
Please believe me when I say to you,
I'm lost, and I'm never coming home this way again.

My heart is bleeding,

But I'll never lay the blame on you.
I've let the ashes smolder.
Consequences left me feeling underneath the weather.
I just don't wanna start over.
Just don't wanna start over.

This is a photo-book of mine.

My heart is bleeding,
But I'll never lay the blame on you.
I've let the ashes smolder.
Consequences left me feeling underneath the weather.
I just don't wanna start over.
Just don't wanna start over.
