whos right there every time you cry
gonna sleep and wake up on your side
endless love i always provide
they hatin on us and u should no why
but whos be lovin you latley
whos willing to go half on a baby
who who whos trying to flag our ship
they just tryna get the love u give

but baby
tell me what they know about my love
my love
x8

ooooooooooooooooohhhhhh

they dont understand why ill never leave u
explain my love? i dont need to
got everybody way up in our business
cos lovin eachother stay on their wish list?
i see them reachin everytime u call me baby
they on my back like a shirt get off me baby
they dont love me let them wonder why
here to stay and they going bye bye
whos the one callin u baby
whos in love with your ass like crazy
who who whos tryna flag our ship
they just tryna get the love u give baby

tell me what they know about my love
my love
x 8

my love is your love
there aint nothing in this world that they can do to
make me give u up
oh baby you will always be my girl
so let them do watever, say watever
cos i aint givin her up

tell me what they know about my love

my love
x 8
