(backups)

Re-mem-mem, re-mem-mem-mem-ber oop-shoop

Re-mem-mem, re-mem-mem-mem-ber oop-shoop

Re-mem-mem, re-mem-mem-mem-ber oop-shoop then

Then , remember then

(mixture) Backups continue with intro while lead sings a series of "whoa oh-oh's" and a "Remember then"

That night we fell in love

Beneath the stars above

That was a lovely summer night

(pyramid) Remember then, then, then, then, then

(mixture again)

Summer's over

Our love is over

To lose that love was such a sin

(pyramid) Remember then, then, then, then, then

(backups) Remember, re-mem-mem, mem-mem-mem-mem-ber

(lead) Our love is in the past

(backups) patta-past

(lead) Oh, has it gone so fast

(backups) patta-past

(lead) Why couldn't our love last?

(backups) Can't last

(backups) Wop, wop, patta patta pop-pop, shoo-wop-dah bop bop, ooh

I'm broken-hearted now

Since we have parted now

My mind wanders now and then

(pyramid) Remember then, then, then, then, then

(backups) Re-mem-mem, re-mem-mem-mem-ber

(mixture again)

(new mixture) Backups sing several "oop shoop, shang-a lang, jigga bop's" and the lead does "ahh-oooh-oooh" and other falsetto variations.
