Have you ever seen sunshine come pourin?out of  
space  
Just to be part of the smile on someones face?  
Uh-huh-huh, thats my baby, talkin?bout my baby,  
And I love him -- hes a walkin?miracle,  
(Ooh, ooh) hes a walkin?miracle.

Have you ever seen lovin?that really rings a bell,  
Kooky and crazy, like Romeo himself?  
Uh-huh-huh, thats my baby, Talkin?bout my baby,  
And I love him -- hes a walkin?miracle,  
(Ooh, ooh) hes a walkin?miracle.  
(Ooh, ooh)

And you should see cherries do flips, woh, yeah,  
When theyre picked to be the taste on his lips, who,  
yeah,  
And I know how happy his clothes must be,  
Cause thats how I feel when hes close to me (close to  
me)

Have you ever seen lovin?that really rings a bell,  
Kooky and crazy like Romeo himself?  
Uh-huh-huh, thats my baby, Talkin?bout my baby,  
And I love him -- hes a walkin?miracle,  
(Ooh, ooh) hes a walkin?miracle.  
(Ooh, ooh) hes a walkin?miracle.  
(Ooh, ooh)  
(Fade)
