My friends all tell me
Go to him, run to him,
Say sweet lovely things to him,
And tell him - he's the one.

Deep in my heart I know it,
But it's so hard to show it
'Cause it's easier - easier said than done.

My buddies tell me
Fly to him, sigh to him,
Tell him I would die for him,
And tell him - he's the one.

Although he gives me a feeling
That sets my heart a-reeling,
Yet it's easier - easier said than done.

Well, I know that I love him so.
I'm afraid that he'll never know
Because I (I-I) I get so timid and shy
Each time that I look him in the eye.

They all tell me
Sing to him, swing with him,
And just do anything for him,
And tell him - he's the one.

I got a love so true
But I'm sad and blue
'Cause it's easier - easier said than done.

Well, I know that I love him so.
I'm afraid that he'll never know
Because I (I-I) I get so timid and shy
Each time that I look him in the eye.

They all tell me
Sing to him, swing with him,
And just do anything for him,
And tell him - he's the one.

I got a love so true
But I'm sad and blue
'Cause it's easier - easier said than done.
Easier-er-er-er - said than done.
