Youre my Coney Island baby you mean so much to me  
Youre my pretty little lady I love you tenderly  
Youre my lucky star thats what you are  
Youre my Coney Island baby youre so precious so  
sweet  
Since the day I met you my life has been complete  
Youre my every thing soon youll wear my ring  
Youre my girl oh-oh-oh-oh-oh

Just the two of us here on the blanket of love  
Writing love letters in the sand  
As long as theres sand and as long as theres a sea  
Youll be my Coney Island Baby

Youre my Coney Island baby dont ever let me down  
Youre my pretty little lady feel like Im wearing a crown  
Dont ever leave me dont ever go  
Youre my Coney Island Baby I love you, I love you so  
Youre my Coney Island baby I want you, I want you to  
know  
Youre my Coney Island Baby I love you, I love you so
