Talked to my friend just a while ago  
He said something that got me low  
He said, I'm gonna get you a date tonight  
It'll be a blind date  
It scares me to death just to think of it  
I wonder if I'm gonna make a hit  
I won't know it till I pick her up  
'cause it's a blind date  
Well, I wonder if she'll have a good time  
Well, I wonder if she'll really be mine  
She'll be mine for at least tonight  
Well, I hope everything turns out right  
Got my shoes a real good shine  
Shined my car for a real good time  
Now I think that I'll go and see my blind date

Got my shoes a real good shine

Shined my car for a real good time

Now I think that I'll go and see my blind date

My blind date, oh-oh-oh blind date

Ah-ah blind date
