You really should accept  
This time he's gone for good  
He'll never come back now  
Even though he said he would  
So, darling, dry your eyes  
So many other guys  
Would give the world I'm sure  
To wear the shoes he wore

Oh, c'mon smile a little smile for me, Rosemarie  
What's the use in cryin'?  
In a little while you'll see, Rosemarie  
You must keep on tryin'  
I know that he hurt you bad  
I know, darling, don't be sad and  
Smile a little smile for me, Rosemarie, Rosemarie

I guess you're lonely now  
Love's comin' to an end  
But, darling, only now  
Are you free to try again  
Lift up your pretty chin  
Don't let those tears begin  
You're a big girl now  
And you'll pull through somehow

Oh, c'mon smile a little smile for me, Rosemarie  
What's the use in cryin'?  
In a little while you'll see, Rosemarie  
You must keep on tryin'  
I know that he hurt you bad  
I know, darling, don't be sad and  
Smile a little smile for me, Rosemarie, Rosemarie

[Brief Instrumental Interlude]
