I understand just how you feel

Your love for me, why not be mine?

It's over now but it was grand

I understand, I understand

If you ever change your mind

Come back to me and you will find

Me waiting there, at your command

I understand, I understand

I miss you so, please believe me when I tell you

I just can't stand to see you go

You know

If you ever change your mind

Come back to me and you will find

Me waiting there at your command

I understand, I understand

SPOKEN: "I understand just how you feel. Let bygones
be bygones. But always

remember I love

you, I love you, I love you."

(We'll sip a cup of wine, my dear, for Auld Lang Syne)

I understand
