Until they get sprayed in the face with a K like Ma\$e

I don't hate the faggot lets get dashed and crunk

I was lifted by a preacher so my mom pushed weight

Now I hooked up wit game real nigga with flame

The nigga show me Cali' love and I ain't in no gang

Any nigga that roll wit me betta keep it G'd

I'll Break ya vertebrate, push a DDT

Bust a shot at your chin your top getting lifted

G's up get your G's up Scrappy with your weed up

Your homeboy really going through something I can't change

[Chorus]

[Game]

The realest of niggaz I role wit them killas (yeah)

The world gotta feel us my clique is gorilla

You niggaz in trouble I'm in the track with B-M-E click

You ain't gotta know I'm signed to Dre to know that he sick

P-89 thats what I handle my beef with

Put them hollow tips under your arms like speedstick

Ride through your hood in a blue impala like we craps

Roll down the tints, G-Unit
I'm a head busta, lil scrappy when the lead touch ya
And they ain't no coming back when you dead fucker
Sleep in your earn and get eaten by worms
Trying to fight a fire with bottled water he'll get burned
They tampered my phones like D-R-E and the firm
Cuz I'm buzzing like Wu-Tang and it ain't even my turn
So who it may concern, you'll get your whole mouth
